RE: Shoreland Management Advisory Committee Meeting – November 21, 2002

Dear Advisory Committee Member:

Thank you for your acceptance of the appointment to the Shoreland Management Advisory Committee. Your participation will be vital to the integrity of this comprehensive rule revision process. We will have approximately eight to ten meetings over the next 18 months to react, respond and modify a suite of options that will be shared with the general public at a series of statewide listening sessions in fall 2003. Feedback from those sessions will shape the draft package of rules proposed for public hearings in late fall 2004. I appreciate the time and energy you are willing to dedicate to ensure our water resources are protected for generations to come.

Enclosed you will find an agenda for the first advisory committee meeting scheduled for November 21, 2002 at the Wisconsin Lions Camp in Rosholt, WI. The meeting will convene at 9:00 am and adjourn promptly at 4:00 pm. We will have a catered lunch for advisory committee members. For your convenience, I have also enclosed a map to the Lions Camp.

Thank you again for your commitment to the protection of our state's vital water resources, I look forward to working with you to produce a well-balanced suite of options to present to the public next fall.

If you have any questions regarding your appointment to the advisory committee or the first meeting, please feel free to contact me at (608) 267-2759 or Toni Herkert, Shoreland Management Team Leader, at (608) 266-0161.

Sincerely,

Al Shea – Director
Bureau of Watershed Management
